INTRODUKTION

PEPE Ascension: A Genie's Gift, A Revolutionary Journey on Ethereum

Born from Pepe's quest for "Infinite Riches," PEPE Ascension is a blazing-fast Layer 2 solution on Ethereum. With low fees, lightning transactions, and a bold community, it's where memes meet innovation.

The Legend of Pepe Ascension

Pepe, a fearless adventurer, stumbled upon a map promising “Infinite Riches.” After a grueling journey, he reached an empty beach—only to awaken a genie from a jar.

“Riches?” the genie smirked. “You build them on ETH!”

Inspired, Pepe built the fastest, most efficient Layer 2 ecosystem ever: **Pepe Ascension**. Here, adventurers buy and stake **\$PEAP** tokens, earning a massive 40% annual reward.

Now, the world joins Pepe on his journey to infinite riches. Ready to ascend? Your adventure begins with **\$PEAP**!

PEPE Pumpad

PEPE Pump Pad is your all-in-one platform for launching meme coins with ease and security. Inspired by Pepe's encounter with the genie, the platform empowers users to build their own treasures on Ethereum. With a two-click launch process, secure anti-rug features, and profit-focused tools, PEPE Pump Pad ensures anyone can create and pump their own projects effortlessly.

Two-Click Launch: Create your meme coin in just two clicks—no coding, just fun.

How to buy \$PEAP

1. Create a wallet

Pick your token for snagging some \$PEAP — ETH, USDT, or BNB. The choice is yours, my friend! Hit that “Connect Wallet” button and give the thumbs up to the contract with your wallet provider, which will pop up like magic!

2. Select Token and Amount

Select your favourite token and type in how much you want to snag! We suggest you start your shopping spree with at least \$500! Trust us, your wallet will thank you later!

3. Buy and Approve the Transaction

Hit that “Buy Now” button and just follow the fun on-screen prompts from your wallet provider to give the thumbs up for the transaction! Just a heads up, wallet approvals might take a hot minute! Patience is key, folks!

\$PEAP Staking

Step into the world of **Pepe Ascension**, where your \$PEAP tokens unlock the door to incredible rewards. By staking \$PEAP, you can earn an impressive 40% annual reward rate while contributing to the growth of one of the most innovative Layer 2 ecosystems.

All stakes are securely locked for a seven-day period, ensuring the stability of the staking pool.
